Certification # 250957

Nashville, TN –August 17, 2006 – Edison Automation, Inc., a business specializing in, Automation Components & Systems, received national certification as a Women's Business Enterprise by the Women's Business Enterprise Council Southeast, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the Women's Business Enterprise Council Southeast is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.
